

Mark Knoblauch PhD LAT ATC CSCS
Clinical Associate Professor
University of Houston
4849 Calhoun Road, Rm. 2052
Houston, TX 77204
maknobla@central.uh.edu

Education:

Post-doctoral fellowship: Department of Molecular Physiology and Biophysics; Baylor College of Medicine, 2011-2013

Fellowship Project: *Mice with RyR1 Mutation (Y524S) Undergo a Hypermetabolic Response to Simvastatin*

PhD—Exercise Science; University of Houston, 2011

Dissertation title: *Influence of chronic hypercholesterolemia on myofiber membrane cholesterol and skeletal muscle membrane damage in a mouse model*

M.S.—Kinesiology; University of Nevada, Las Vegas (UNLV), 1998

Emphasis: Exercise Science

Professional Paper: *A Need For Certification in the Coaching Profession*

B.A.—Exercise Science (Cum Laude); Wichita State University, 1996

Emphasis: Athletic Training

A.A.—Sports Medicine; Hutchinson Community College, 1994

Professional Credentials/Training:

- National Athletic Trainer's Association: Athletic Trainer (ATC), 1996-current
 - *Certification #119602616*
- Texas Advisory Board of Athletic Trainers: Athletic Trainer (LAT), 1999-current
 - *License #AT2198*
- National Strength and Conditioning Association: Strength and Conditioning Specialist (CSCS), 1997-current
 - *Certification # 976899*
- Baylor College of Medicine 'Ethics in Science' Training Seminars, 2012-13
- American Red Cross First Aid and CPR Instructor, Certified, 1999-2006
- American Red Cross Professional Rescuer + AED, Certified, 2004-current
- Kansas Board of Emergency Medical Services Registration: EMT, 1996-2002
- Kansas State Board of Healing Arts Registration: Athletic Trainer, 1998-1999
- National Provider Identifier (NPI): 1477767408

Employment History:

Professional:

University of Houston, Department of Health and Human Performance, 2014-current

Clinical Associate Professor: 2021 – current

Clinical Assistant Professor: 2014 – 2021

Program Director: 2023 – current

Clinical Coordinator, Master of Athletic Training Program: 2014 – 2023

Interim Program Director, Master of Athletic Training Program: March – May 2020

Job responsibilities include:

- Initial design of program to achieve accreditation from the Commission on Accreditation of Athletic Training Education (CAATE)
- Collaborate with the Program Director to implement policies and procedures for the new Master of Athletic Training (MAT) program
- Establish and coordinate clinical education sites
- Coordinate orientation and education of program preceptors
- Design and teach courses in the MAT program
- Supervise MAT student case study preparation and if necessary, submission

Courses Designed and Taught (Syllabi available upon request):

- ATP 6302 Emergency Management & Prevention of Injury
- ATP 6102 Emergency Management & Prevention of Injury Lab
- ATP 6191 Clinical Education I
- ATP 6311 Introduction to Research in Athletic Training
- ATP 6192 Clinical Education II
- ATP 6322 Pharmacology in Athletic Training
- ATP 6193 Clinical Education III
- ATP 7312 Principles of Strength and Conditioning
- ATP 7194 Clinical Education IV
- ATP 7195 Clinical Education V
- ATP 7196 Clinical Education VI
- ATP 7302 General Medical Conditions
- ATP 7311 Nutrition & Performance
- ATP 7321 Psychological Aspects of Sports Injury
- Master of Athletic Training Student Society (MATSS) advisor (2014 – 2019)
 - Coordinate guest speakers
 - Act as a liaison between MATSS and relevant university officials
- Interim Program Director (February 2020 – May 2020)
 - Supervise all aspects of MAT program
 - Prepare MAT program for self-study and transition to 2020 standards
 - Recruit applicant cohorts

Baylor College of Medicine; Department of Molecular Physiology and Biophysics, 2011-2013

Postdoctoral Research Associate, Department of Molecular Physiology and Biophysics

--Laboratory of Dr. Susan Hamilton

Job responsibilities included:

- Development, design, data collection, and manuscript preparation of independent project
- Actively seek and apply for project funding
- Actively participate in Responsible Conduct of Research training
- Primary researcher for experiment data collection of *in vitro* force-frequency and fatigue measurements, determination of myofiber cross-sectional area, skeletal muscle cryo-sectioning, ImageJ and Photoshop CS3 image analysis
- Statistical analysis of lab data

University of Houston; 2005-2011

Teaching Fellow (2005-07)

Research Assistant (2007-2011)

Job responsibilities included:

- Course instruction for up to six credit hours per semester

Courses Taught (Syllabi available upon request):

- KIN 1104 Movement Activities for Children
- KIN 1252 Foundations of Kinesiology Studies
- KIN 2100 Individual and Dual Sports
- KIN 3300 Motor Development
- PEB 1110 Combative Sports
- PEB 1136 Racquetball
- Grade exams and serve as primary student contact for PEP 6305
- Data collection for both field-based and laboratory-based research studies
- Sample analysis for laboratory-based research studies

Lamar University (Beaumont, TX); 1999-2005

Head Athletic Trainer

Lecturer, Health and Kinesiology

Job responsibilities included:

- Primary medical coordinator for all of Lamar University's 14 athletic teams
- Course instruction for up to nine credit hours per semester

Courses Taught:

- HLTH 1306 First Aid & CPR
- HLTH 2376 Care and Prevention of Athletic Injuries
- HLTH 4301 Advanced Athletic Training (Evaluation)
- HLTH 4310 Advanced Athletic Training (Therapeutic Modalities and Rehabilitation)

- Instrumented partnership between Christus St. Elizabeth Hospital's Family Practice fellowship program and the Lamar University sports medicine program to facilitate daily on-site general medical care for Cardinal athletes. Maintained a new relationship with Southeast Texas Medical Associates in 2002 after elimination of St. Elizabeth's fellowship program
- Appointed to the UTMB-Galveston School of Medicine's Department of Family Medicine as a Family Medicine Specialist
- Interim appointment to Lamar's Graduate Faculty Board
- Recruitment, supervision, and guidance of over thirty (30) student athletic trainers and three Graduate Assistants for the Cardinal sports medicine program.
- Served on educational committee to create a new Exercise Science program at Lamar University
- Provided academic advisement for student athletic trainers
- Advisor for Lamar's student athletic trainer program, LUSATA
- Insurance and medical billing coordinator for Lamar University athletics
- Web page designer and webmaster, Lamar University Sports Medicine
- Athletic Trainer for Lamar University Men's Basketball, 2000 Southland Conference Tournament champions, 2000 NCAA Tournament participants
- Drug testing coordinator

Pratt Community College (Pratt, KS); 1998-1999

Head Athletic Trainer

Instructor, Health, Physical Education and Recreation

Job responsibilities included:

- Primary medical coordinator for PCC's eight athletic teams
- Recruitment, supervision, and guidance of student athletic aides
- Provided academic advisement for student aides
- Insurance and medical billing coordinator for PCC athletics
- Drug testing coordinator
- Course instruction in physical education

Adjunct/Contract/Temporary/Assistantships:

San Jacinto Community College—North; 2005-2008

Adjunct Instructor – Physical Education Department

Courses Taught (Syllabi available upon request):

- PHED 1101 – Beginning Tennis
- PHED 1119 – Exercise for Health and Fitness
- PHED 1143 – Walking for Fitness

St. John's School; 2005-2009

Contract Athletic Trainer

Lutheran South High School; 2005-2009

Contract Athletic Trainer

Cegedim Dendrite Field Inventory Services; 2000-2015

Perform audits and closeouts of pharmaceutical rep drug sample inventories

Conduct pharmacy audits of Controlled (II-V) substances

University of Nevada—Las Vegas (UNLV); 1996-98

Graduate Assistant Athletic Trainer,

Assistant Lecturer—Athletic Training Education Program

Pacific Southwest Physical Therapy; 1997

Physical Therapy Technician

Professional Memberships:

- National Athletic Trainer's Association: 1995-current
- Southwest Athletic Trainer's Association: 1999-current
- International Institute for Race Medicine: (2015-current)
- Baylor College of Medicine Postdoctoral Association: (2011-2013)
- National Strength and Conditioning Association: 1997-current
- Greater Houston Athletic Trainer's Society: 2008-current
- Kansas Athletic Trainer's Association: 1998-1999
- Mid-America Athletic Trainer's Association: 1996 - 1999
- Kansas EMS Association: 1995-2002
- Far West Athletic Trainer's Association: 1996-1998

Research

Interests:

- Load-induced skeletal muscle damage
- Hypercholesterolemia's role in skeletal muscle damage
- Statin-induced myopathy
- Creatine kinase response to resistive exercise and injury
- Athletic training perceptions
- Vestibular disorders

Current projects:

Peer-reviewed manuscript

- Perceptions of the ability of various healthcare fields to perform specific practice domains (survey study), currently in write-up and analysis phase

Publications:

Books published:

- *Stroke: A practical guide for patients and their caretakers.* Kiremma Press. 2023. ISBN# 978-1733321044
- *Clinical Nutrition for Athletic Trainers* (Editor). Slack Incorporated. 2022. ISBN# 978-1630918040
- *CBD For the Vestibular Patient.* Kiremma Press. 2020. ISBN# 978-1733321020. 183pp
