

Participants Needed

One minute to determine if you are qualified for
a \$5 gift card to Starbucks

Qualifications

1. Age: 18 – 30 years old
2. Be able to contribute 2 hours
3. No neurological, musculoskeletal, or cardiovascular disorders

In this study

- You will perform Sensory and Motor function tests of the hand and arm instructed by professionally trained personnel
- Your contribution may help to generate better knowledge in muscle performance and function
- You will be given a \$5 Starbucks gift card
- Your participation will be confidential

Location

Center for Neuromotor and Biomechanics Research at the University of Houston

This project has been reviewed by the University of Houston Committee for the
Protection of Human Subjects (713) 743-9204
